

WÜRTH INDUSTRY OF CANADA

LET

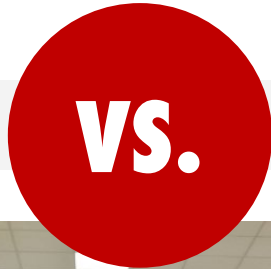

US START WITH AN INTERESTING

THESIS...

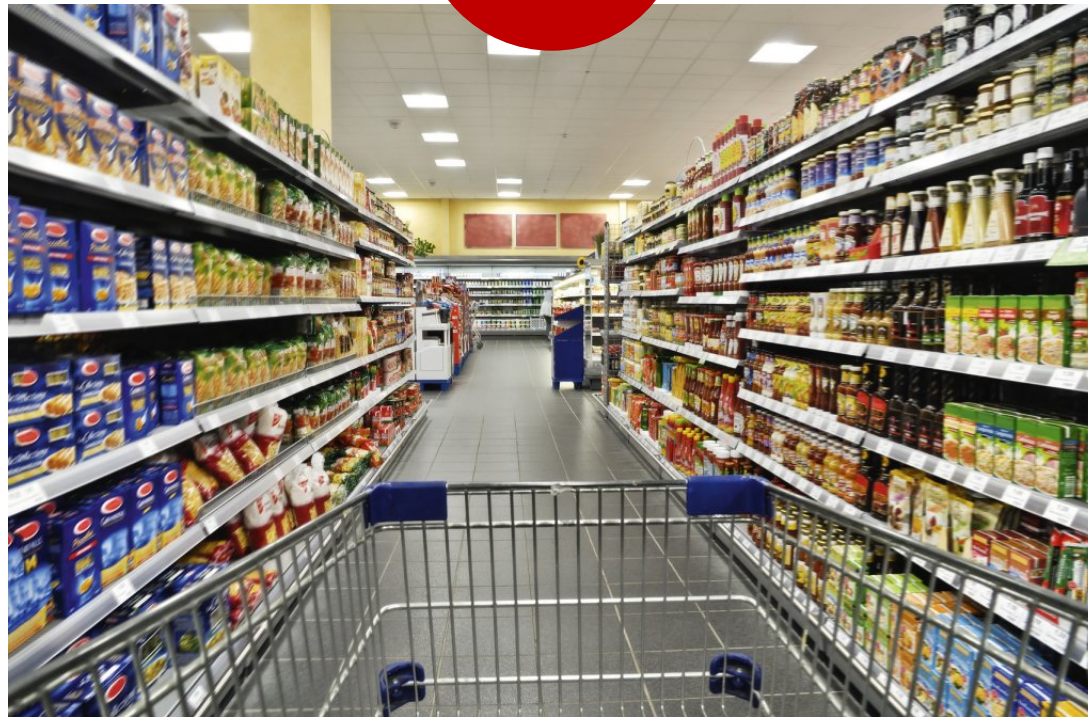

How would you rather go **shopping** for groceries **after work**?

MANY DIFFERENT SHOPS

1 SUPERMARKET

- Time intensive
- Would you spend hours of time comparing the prices for milk?

- Many products
- Fair price
- Product availability
- Quality
- All from one source?

How would you rather go **shopping**?

MANY DIFFERENT STORES

VS.

BUYING ALL FROM ONE SOURCE?!

Making a long story short:

- Do you want to **save** costs?
- Are you thinking about **optimizing** your purchasing process?
- Do you want to **reduce** suppliers?
- Are you looking for a **one**-stop solution?

We haven't taken this example and "translated" it to our business

IN BUSINESS WE WOULD LIKE TO BE

YOUR **RELIABLE PARTNER**

OFFERING A UNIQUE **ONE-STOP**
SOLUTION

WHAT IF...

... WE CAN REFILL YOUR „FRIDGE“ THROUGH CUSTOMIZED SOLUTIONS?

... we were able to provide this solution in **business life?**

... we do not only deliver the products to you, but also **stock** them on your shelves **ready to use** - everything you need right where you need it?

... we agree on min and max level and make sure that there is always a **full availability** through Kanban / racking for example?

PROCESS OPTIMIZATION

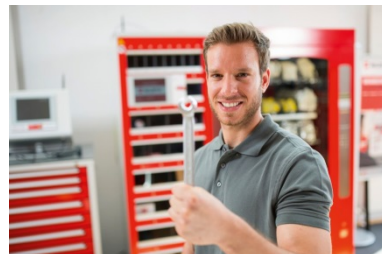

WHAT IF THE GOAL SEEMS EASY?

DECREASING PROCESS STEPS TO SAVE MONEY

WHAT IF SAVING MONEY THROUGH SOLUTIONS IS PROVEN?

- cross-channel integration and automatization of processes and systems.
- Key for productivity: Saving time by locating items close to work stations.
- Product availability 24/7: No stock-outs and out-of-stock costs.
- Increasing efficiency through sophisticated high-end solutions.
- Reduction of product usage by up to 35%.

EUROPEAN INDUSTRY: PROCESS COSTS FOR A C-PART ORDER ARE **\$132, ON AVERAGE.**

REALIZED CUSTOMER PROJECTS SHOW THAT **CUTTING COSTS UP TO 70%** IS REALISTIC.

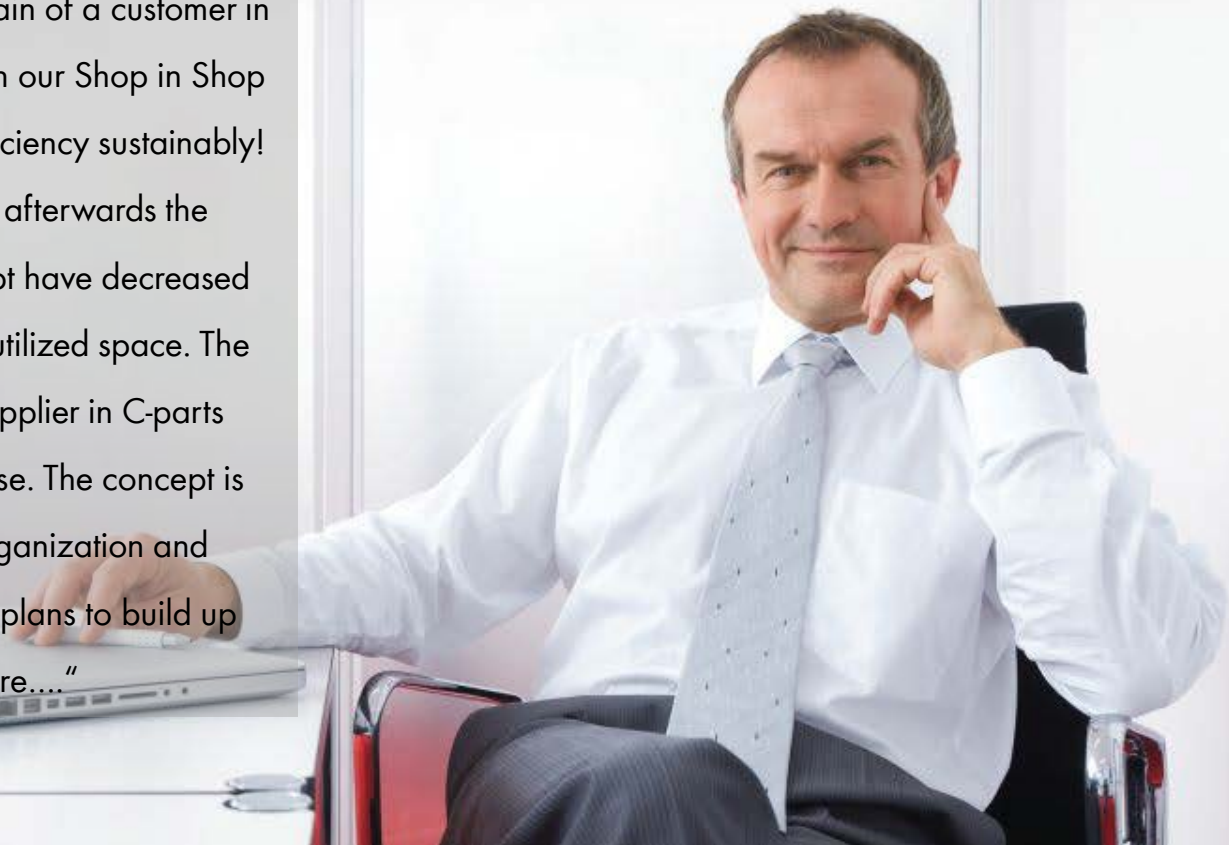

WHAT IF THE GOAL SEEMS EASY? TOP PERFORMANCE FOR MORE EFFICIENCY

„..... Optimizing the supply chain of a customer in the Oil & Gas industry through our Shop in Shop Concept has increased his efficiency sustainably!

The strategic analysis and afterwards the implementation of the concept have decreased stock outs, waiting time and utilized space. The

Würth Group is the only supplier in C-parts directly in the local warehouse. The concept is

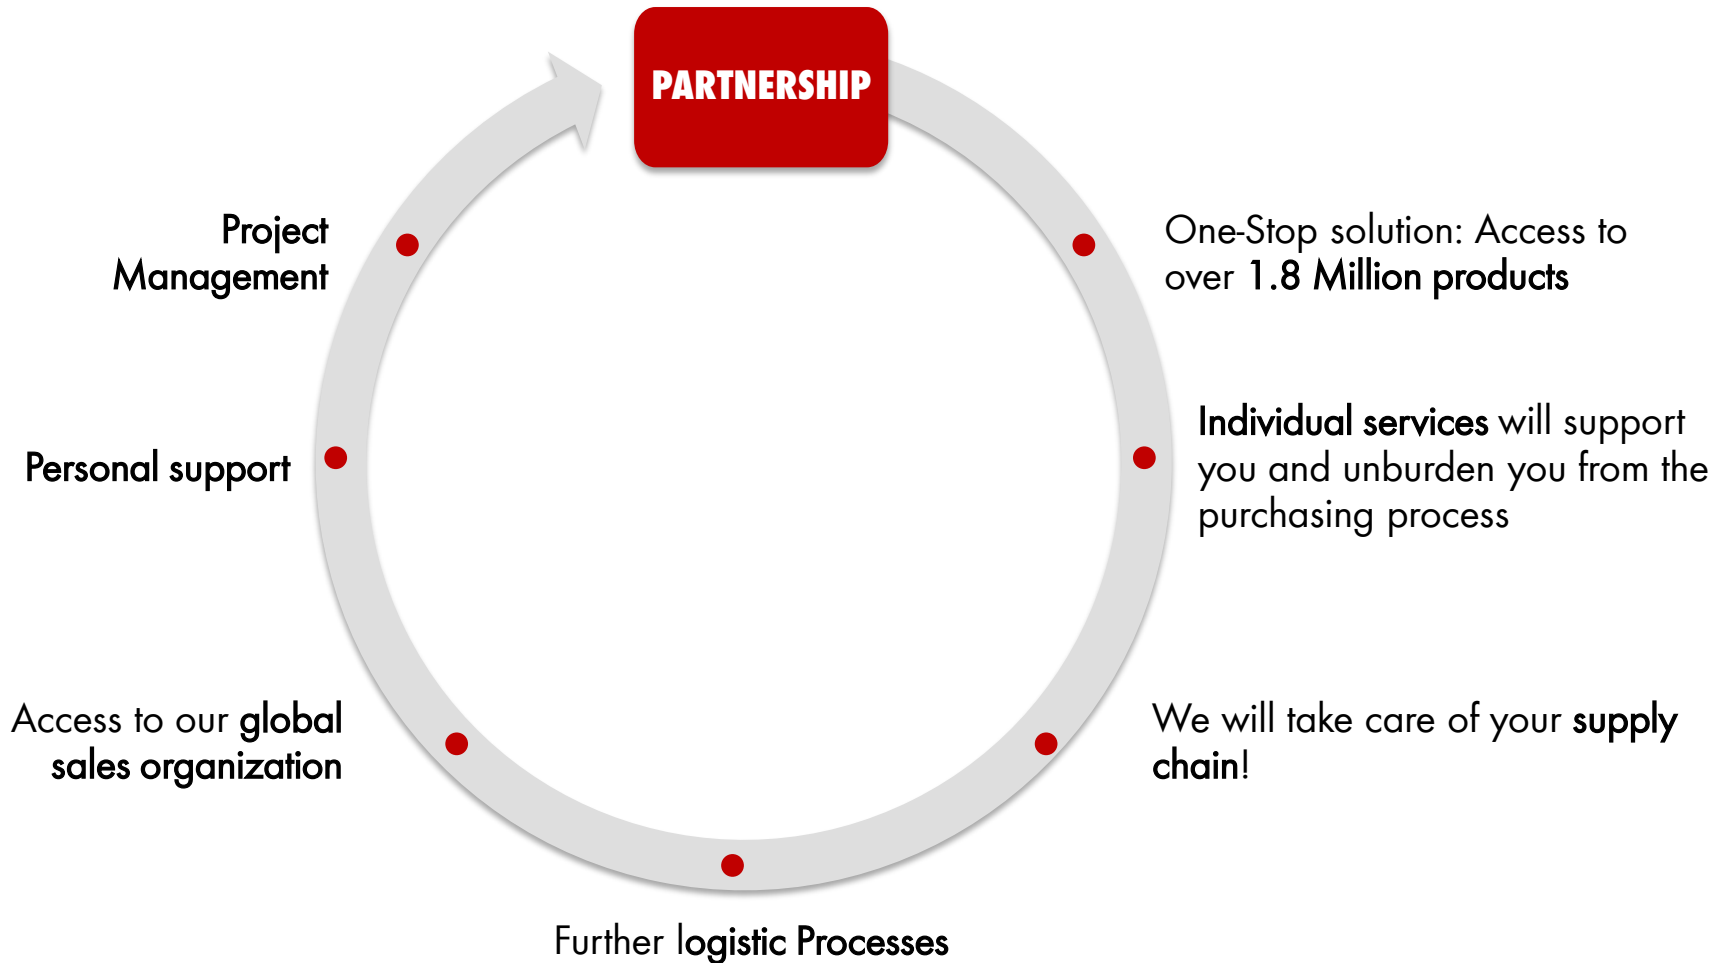

working well within the organization and therefore, there are already plans to build up another shop there....“
